**NARRATIVE:**

O'Hickey has an extensive adult criminal history that began at the age of 23. His convictions include forgery, possession of dangerous weapons, battery, inflicting corporal injury to a spouse, felony violation of parole, failure to appear, receiving stolen property, grand theft, under the influence of controlled substances, resisting an officer, possession of a stolen vehicle, possession of concentrated cannabis, and prison enhancement. He has served multiple state prison terms the longest a four (4) year term for possession of a stolen vehicle. O'Hickey was released from state prison to the supervision of the Los Angeles County Probation Department on January 23, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). O'Hickey qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of prison enhancement is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
